

12-Piece Velvet Matte Liquid Lipstick & Multi-Use Lip Stain Set

Long-Wearing • Waterproof • Non-Stick Cup Formula

PRODUCT OVERVIEW

Elevate your everyday beauty standard with the **Novleot 12-Piece Velvet Matte Liquid Lipstick Set**. Designed for modern cosmetic versatility, this essential beauty collection delivers intense, weightless matte coverage that stays flawlessly intact all day. Formulated to resist smudging, transferring, and fading, each shade glides smoothly as a liquid and dries quickly into a rich, velvety semi-matte finish that keeps lips feeling hydrated and soft.

Collection Highlights

Whether creating a subtle, polished daytime look or a striking, dramatic evening aesthetic, this curated 12-piece set features a balanced spectrum of nude, dusty rose, warm mauve, and bold berry tones tailored for all skin tones and occasions.

KEY FEATURES & PERFORMANCE

- **12 Curated Shades:** Offers a complete range of versatile nude, neutral, pink, and vibrant red tones designed for multi-outfit matching.
- **Waterproof & Transfer-Proof:** Advanced non-stick cup formulation prevents color transfer, feathering, or fading through drinks, meals, and daily wear.
- **Velvet Matte Finish:** Lightweight liquid formula applies evenly and sets into a smooth, non-drying matte texture that enhances lip shape without accentuating lines.
- **Multi-Functional Application:** Highly adaptable formula functions seamlessly as a full lip coverage color, precise lip contour liner, or a buildable cheek tint/blush wash.
- **Hydrating & Comfortable Wear:** Nourishing conditioning agents prevent tightness, keeping lips cushion-soft and comfortable throughout extended wear.

Quantity / Set Count	12 Individual Pieces
Net Package Weight	Approx. 250 g

APPLICATION & CARE INSTRUCTIONS

- 1 Preparation:** Gently exfoliate lips with a lip scrub and apply a light moisturizing balm for an evenly hydrated base.
- 2 Precision Line:** Use the ergonomic precision applicator tip to outline the cupid's bow and natural lip perimeter.
- 3 Full Color Application:** Fill in the lips evenly. Allow 30–60 seconds to fully set for complete transfer resistance.
- 4 Multi-Use Cheek Tint:** Dab 1–2 tiny dots onto the apples of your cheeks and blend rapidly with fingertips or a beauty sponge for a natural wash of color.
- 5 Removal:** Effortlessly remove using a standard oil-based makeup cleanser or micellar cleansing water.
